Notes:

- a) We (the 26th NC and the Carolina Legion) are the only CS units on site for the weekend...
- b) There will be a Federal Battalion on site, thus a great opportunity to work together for some special scenarios...
- c) SBS members are encouraged to attend but, please know that the NPS is not allowing any civilian camping...they would however love for there to be civilians around the village during the days...
- d) Please travel light for this one boys...the men of the Army of Northern Virginia had been on the march for a week...they were hungry and only what they could carry on their backs...it is our duty to remember them they way they were...
- e) There will be a joint demonstration with the Federal battalion during which we will be allowed to fire on the spot that Cox's NC Brigade fired the last shot of the ANV...
- f) We need a HUGE turnout boys – what a fitting way to finish the 145s!
